Doug, the Casual

- Background: mid-20s blue-collar worker who enjoys a game or two after work. Will often log in with friends to share a game
- Goals: Wants a quick and stress-less gaming session, with quickmatch and party features.
- Role: End-User/Player
- Accessibility Considerations: Needs stable servers for the game itself, as well as in-game chat.

Story: As Doug, I want my online games to run with little to no issues so I can have a fun evening with my buddies.
